GROUP OF NON-ALIGNED AND
NEUTRAL STATES

DRAFT RESOLUTION ON A
NUCLEAR-ARMS FREEZE

The Third Review Conference of the Parties to the Treaty on the
Non-Proliferation of Nuclear Weapons,

Recalling that the Article VI of the Treaty on the Non-Proliferation of Nuclear Weapons contains an undertaking by each of the Parties "to pursue negotiations in good faith on effective measures relating to cessation of the nuclear-arms race at an early date and to nuclear disarmament",

Considering that a nuclear-arms freeze, while not an end in itself, would constitute the most effective first step for a cessation of the nuclear-arms race,

Calls on the three Depositary States of the Treaty on the Non-Proliferation of Nuclear Weapons:

1. To agree on a complete freeze on the testing, production and deployment of all nuclear weapons and their delivery vehicles;
2. To begin negotiations for substantial reductions of their existing stockpiles of nuclear weapons and delivery vehicles.
