<b>Membership Totals</b>	<b>142</b>		<b>110</b>	<b>78*</b>

**Key:**

- Acc** Date of Accession (becoming party to the agreement after it has already entered into force).
- Accept** Date of Acceptance (agreeing to be legally bound by the terms of the Treaty).
- App** Date of Approval (approved by the government and awaiting ratification by the legislative process).
- EIF** Entered Into Force
- R** Date of Ratification (fulfilling and implementing domestic legislative legal practices to bring about the legal application of the Treaty on the government and other entities to which the Treaty is applicable, such as formal approval by parliament or legislative bodies. The Treaty is formally declared to be applicable on the State Party, and the required legal instrument of ratification has been duly deposited with the depositary).
- S** Date of Signature (competent authority or representative of a State has affixed its signature to a Treaty text thus indicating acceptance of the Treaty and a commitment not to undertake any actions that would undermine the purpose of the Treaty, according to the Vienna Convention on the Law of Treaties, pending formal ratification).
- Succ** Date of Succession (when an original or previous State Party ceases to exist and is succeeded by another State or legal entity that formally accepts and takes on the international legal obligations of the former party).

<sup>1</sup> Austria's safeguards agreement under INFCIRC 156, which had been in force since July 1972, was suspended in July 1996; at that time, INFCIRC 193, the agreement between EURATOM and the IAEA (of 5 April 1973) entered into force for Austria.

---

<sup>2</sup> On 26 March 2003, Cambodia, which had been a member of the IAEA since 1958, announced its withdrawal from the Agency.

<sup>3</sup> Cuba acceded to the NPT on 4 November 2002. By doing so, it was required to conclude with the IAEA a comprehensive Safeguards Agreement pursuant to Article III of the NPT. On 18 September 2003, Cuba signed its Safeguards Agreement and the Additional Protocol. Upon entry into force, the Safeguards Agreement and Additional Protocol will supersede Cuba's INFCIRC 66 safeguards agreements currently in force.

<sup>4</sup> Finland's safeguards agreement, INFCIRC 155, which had been in force since 1972, was suspended in October 1995; at that time, INFCIRC 193, the agreement between EURATOM and the IAEA (of 5 April 1973) entered into force for Finland.

<sup>5</sup> Greece's safeguards agreement, INFCIRC 166, which has been in effect since March 1972, was suspended in December 1981, when Greece acceded to INFCIRC 193, the safeguards agreement between EURATOM and the IAEA.

<sup>6</sup> On 13 June 1994, the DPRK, which had been an IAEA Member State since 1974, announced its withdrawal from the Agency. Although the withdrawal did not affect the DPRK obligations under its Safeguards Agreement, which in the Agency's view remains binding and in force, the DPRK took the position that it was in a special position with regard to the Safeguards Agreement and that it was no longer obliged to allow the inspectors to carry out their work under the Safeguards Agreement.

<sup>7</sup> INFCIRC 272, Portugal's safeguards agreement since June 1979, was suspended in July 1986 and replaced by INFCIRC 193, the agreement between EURATOM and the IAEA.

<sup>8</sup> INFCIRC 234, Sweden's safeguards agreement since April 1975, was replaced with INFCIRC 193, between EURATOM and the IAEA, in June 1995.
