The Center for Nonproliferation Studies (CNS) at the Monterey Institute of International Studies (MIS) seeks to combat the spread of weapons of mass destruction by training the next generation of nonproliferation specialists and disseminating timely information and analysis. CNS activities are supported by grants from the Carnegie Corporation, the Compton Foundation, the Defense Advanced Research Projects Agency, the Ford Foundation, the John D. and Catherine T. MacArthur Foundation, the John Merck Fund, the NATO Science Committee, the Ploughshares Fund, the Prospect Hill Foundation, the Riordan Foundation, Rockefeller Financial Services, the Rockefeller Foundation, the Scherman Foundation, the U.S. Institute of Peace, and the W. Alton Jones Foundation.
