China's Current Laws and Regulations Related to Biosafety, Biosecurity, Oversight of Activities Involving Genetic Engineering, Biosafety Equipment and Facilities, Management of Medical Wastes, and Storage, Packing, and Shipment of Pathogens

1. China. Standing Committee of the National People's Congress. "Frontier Health and Quarantine Law of the People's Republic of China." (issued 2 December 1986, implemented 1 May 1987).
2. China. Ministry of Health. "Rules for the Implementation of Frontier Health and Quarantine Law of the People's Republic of China." (issued and implemented 6 March 1989).
3. China. Standing Committee of the National People's Congress. "Law of the People's Republic of China on the Entry and Exit Animal and Plant Quarantine." (issued 30 October 1991, implemented 1 April 1992).
4. China. State Council. "Regulations for the Implementation of the Law of the People's Republic of China on the Entry and Exit Animal and Plant Quarantine." (issued 2 December 1996, implemented on 1 January 1997).
5. China. Standing Committee of the National People's Congress. "Law of the PRC on the Prevention and Treatment of Infectious Diseases." (issued 21 February 1989, revised 28 August 2004).
6. China. Ministry of Health. "Methods of the Implementation of Law of the PRC on the Prevention and Treatment of Infectious Diseases." (issued 4 October 1991, implemented 6 December 1991).
7. China. Standing Committee of the National People's Congress. "Animal Epidemic Prevention Law of the People's Republic of China." Congress (issued 3 July 1997, implemented 1 January 1998).
8. China. Standing Committee of the National People's Congress. "Environmental Protection Law of the People's Republic of China." (issued and implemented 26 December 1989).
9. China. Standing Committee of the National People's Congress. "Law of the People's Republic of China on Appraising of Environment Impacts." (issued 28 October 2002, implemented 1 September 2003).
10. China. State Council. "Regulations on Preparedness for and Response to Emergent Public Health Hazards." (issued and implemented 9 May 2003).
11. China. State Council. "Regulations of the People's Republic of China on Certification and Accreditation." (issued 3 September 2003, implemented 1 November 2003).

12. China. State Council. "Regulation on Handling Major Animal Epidemic Emergencies." (issued 18 November 2005).
13. China. State Council. "Regulation on the Bio-safety Management of Pathogenic Microbe Laboratories." (issued and implemented 12 November 2004).
14. China. Ministry of Agriculture. "Measures for the Examination and Approval of the Bio-Safety Administration of Highly Pathogenic Animal Pathogenic Microbe Laboratories." (issued and implemented 20 May 2005).
15. China. Ministry of Health. "Measures for the Examination and Approval of the Bio-Safety Administration of Highly Pathogenic Human Pathogenic Microbe Laboratories and Experimental Activity." (issued and implemented 15 August 2006).
16. China. Chinese State Environmental Protection Administration. "Methods for the Bio-safety Environmental Management of Pathogenic Microbe Laboratories." (issued 8 March 2006, implemented 1 May 2006).
17. China. Ministry of Science and Technology, Ministry of Health, the State Food and Drug Administration, and Chinese State Environmental Protection Administration. "Methods for Provisional Management of SARS-associated Corona virus Laboratories." (issued and implemented 6 May 2003).
18. China. State Science and Technology Commission. "Regulations for the Administration of Affairs Concerning Experimental Animals." (issued and implemented 14 November 1988).
19. China. Ministry of Health. "General Biosafety Standard for Microbiological and Biomedical laboratories." Standard WS233-2002 (issued 3 December 2002, implemented 1 August 2003).
20. China. Ministry of Agriculture. "Veterinary Laboratory Biosafety Guidelines." (issued and implemented 15 October 2003).
21. China. Chinese General Administration of Quality Supervision, Inspection, and Quarantine and Chinese Standardization Administration. "Laboratories—General Requirements for Biosafety" Regulation GB 19489-2004 (issued 5 April 2004, implemented 1 October 2004).
22. China. Ministry of Construction. "Architectural and Technical Code for Biosafety Laboratories." Regulation GB 50346-2004 (issued 3 August 2004, implemented 1 September 2004).
23. China. Chinese General Administration of Quality Supervision, Inspection, and Quarantine. "Laboratory Animal Requirements of Environment and Housing Facilities." Regulation GB14925-2001 (issued 29 August 2001, implemented 1 May 1 2002).

24. China. Ministry of Agriculture. "List of Animal Pathogenic Microorganisms." (issued and implemented 24 May 2005).
25. China. Ministry of Agriculture. "Directory of Pathogenic Microorganisms Transmissible Between Humans." (issued and implemented 11 January 2006).
26. China. Ministry of Agriculture. "Packing Criterion on Transportation of Highly Pathogenic Animal Microbial Strains or Samples." (issued and implemented 24 May 2005).
27. China. Ministry of Health. "Regulations on Transportation Management of Highly pathogenic Microbial Strains or Samples Infecting the Human." (issued 28 December 2005, implemented 1 February 2006).
28. China. State Science and Technology Commission. "Rules on Management of the Preservation of Microbial Strains in China." (issued and implemented 8 August 1986).
29. China. Ministry of Health. "Methods on Management of Preservation of Medical-Microbiology Strains in China." (issued and implemented 23 March 1985).
30. China. Ministry of Agriculture. "Methods on Trial Management of Preservation of Veterinary-Microbiology Strains." (issued 25 November 1980, revised 1 July 2004).
31. China. Chinese Ministry of Science and Technology. "Methods on Provisional Management of Preservation, Usage and Infectious Animal Models of SARS-Associated Corona virus." (issued and implemented 6 May 2003).
32. China. Standing Committee of the National People's Congress. "Law of the People's Republic of China on the Prevention and Control of Environmental Pollution by Solid Wastes." (issued 29 December 2004, implemented 1 April 2005).
33. China. State Council. "Regulations on the Administration of Medical Wastes." (issued and implemented 16 June 2003).
34. China. Ministry of Health. "Measures for Medical Wastes Management of Medical and Health Institutions." (issued and implemented 15 October 2003).
35. China. Ministry of Health and Chinese State Environmental Protection Administration. "Administrative Punishment Measures for Medical Waste Management." (issued 27 May 2004, implemented 1 June 2004).
36. China. Ministry of Health. "List of Medical Wastes." (issued and implemented 10 October 2003).
37. China. Chinese State Environmental Protection Administration. "Management Method for the Hazardous Waste Transfer and Combined Documents." (issued 22 June 1999, implemented 1 October 1999).

38. China. Ministry of Health. "Technical Standard for Disinfection." (issued 15 November 2002, implemented 1 April 2003).
39. China. Chinese State Environmental Protection. "Technical Guide for Waste Water Treatment at Hospitals." (issued and implemented 10 December 2003).
40. China. China Association for Engineering Construction Standardization. "Code for Design of Hospital Waste Water Treatment." Sector Standard CECS07: 2004 (implemented 1 May 2004).
41. China. Chinese General Administration of Quality Supervision, Inspection, and Quarantine. "Requirements for Medical Organization Sewage Discharge." Regulation GB18466-2001 (issued 22 October 2001, implemented 1 March 2002).
42. China. Chinese State Environmental Protection Administration. "Technical Specification of Dealing with Medical Wastes." (issued 26 December 2003).
43. China. Chinese State Environmental Protection Administration. "Regulation of Standard and Warning for Special-Purpose Packing or Container of Medical Wastes." (issued and implemented 20 November 2003).
44. China. Ministry of Construction. "Biological Safety Cabinets." Sector Standard JG170—2005 (issued 25 March 2005, implemented 1 June 2005).
45. China. "Biological Safety Cabinets." Sector Standard YY0569-2005 (issued 18 July 2005, implemented 1 June 2006).
46. China. State Science and Technology Commission. "Safety Administration Regulation on Genetic Engineering." (issued and implemented 24 December 1993).
47. China. Ministry of Agriculture. "Safety Administration Implementation Regulation on Agricultural Biological Genetic Engineering." (issued 10 June 1996, implemented 10 July 1996).
48. China. State Council. "Safety Administration Regulations on Agricultural GMO." (issued and implemented 23 May 2001).
49. China. Ministry of Health. "Administration Measures for Genetically Modified Food Hygiene." (issued 8 April 2002, implemented 1 July 2002).
50. China. Ministry of Agriculture. "Administrative Rules for Safety Assessment of Agricultural GMO." (issued 5 January 2002, implemented 20 March 2002).
51. China. Ministry of Agriculture. "Measures for the Administration of the Safe Import of Agricultural GMO." (issued 5 January 2002, implemented 20 March 2002).
52. China. Ministry of Agriculture. "Measures for the Administration of Identification of Agricultural GMO." (issued 5 January 2002, implemented 20 March 2002).
53. China. Ministry of Agriculture. "Measures for the Examination and Approval of Processing of Agricultural GMO." (issued 27 January 2006, implemented 1 July 2006).

2006).
